2. What we talked about at the last meeting

The minutes were agreed.

No further contact has been made with Yorkshire Coast College

There has not been any progress on the funding for an Acute Liaison Nurse. An LD Champion has been identified but concern was expressed that this person is not in a role that can influence the strategy for improving the hospital experience for people who have Learning Disabilities.

3. Things we need to talk about from the 20th October Partnership Board Meeting.

Not many people attended the meeting but it was an opportunity to hear more about the proposals for the County Partnership Board. People at the meeting agreed that it had been helpful to have this discussion. The meeting had been held in Filey for the first time.

4. Things we need to do for the Partnership Board Meeting on 15th December.

The Partnership Board Meeting is going to be a celebration of the achievements of the Board and the Task Groups over the last 8 years. The agenda will be coming out soon.

5. Getting ready for the new Local Area Group

We looked at Hambleton and Richmondshire's draft terms of reference and made changes so it can be used for the Scarborough Whitby Ryedale Local Area Group. Carla will prepare that terms of reference so it can be used at the first Local Area Group meeting.

The first Local Area Group Meeting will be on 16th February 2011 at Elders Street Day Centre. More details will be sent out nearer the time.
